- Company valuation: discounted cash flow valuation models and valuation using comparable multiples
- Preparing sections of documents, pitchbooks, teasers, information memoranda, and more
- Providing general support in the execution of transactions

Requirements:

- You must be in the final year of your degree or have recently graduated in Business Administration, Economics, Engineering or Mathematics
- Analytical skills, ability to collect and analyse data
- Advanced level of proficiency in Excel and PowerPoint
- Demonstrate a C1 level of proficiency in English and Spanish
- Be able to work as part of a team
- Previous experience in corporate finance will be regarded favourably

We offer:

Paid work placement, duration of six months.

- Transparency, communication, and regular feedback
- Direct contact with the most senior members of the team
- Career path: genuine opportunities for growth in line with Clearwater's expansion
- Exposure to challenging and transformational projects in the M&A sector
